Expedition Food Safety (NCFE)

What is it?

This is a one-day course run in partnership with Cookout focusing on safe food handling and hygiene in an outdoor or expedition environment. Training will provide a practical, pragmatic approach to food preparation and hygiene in an outdoor setting.

This course is essential for anyone working in the UK or overseas who will be responsible for groups preparing their own food in the outdoors.

How long does it last?

One day.

What does it cover?

- Laws governing food safety
- Food poisoning – what is it and how it is contracted
- Temperatures – cooking, chilling and reheating food
- Storing food safely
- Personal hygiene
- The expedition kitchen
- How to wash up in the outdoors
- Water purification
- Toilets – where to site them, how to dig them
- Environmental impacts – wildlife, water courses

Often delivered with:

- First Aid

Do I get a certificate?

Yes - you will be issued a certificate by the NCFE.
